

Retiring the Debt on Our Building: A Matching Gift Campaign

We are nearing the end of our \$7.5 million dollar Capital Campaign and we need your help! Retiring the debt of our school building is one of the four goals of our capital campaign. An anonymous donor has put forth an incredible \$250,000 matching gift offer.

Every dollar donated toward retiring the building's debt between now and November 2017 will be matched...and then there will be no debt on our beautiful building!

Please consider a gift to support this effort and double your impact! Additionally, please forward news of this opportunity to friends and family and share your enthusiasm and passion for

Nativity School of Worcester.

For more information, please contact Elizabeth Wambui at ewambui@nativityworchester.org or (508)799-0100 x106.
